# We are always happy to have you here...

Dear Reader,

A very warm welcome to our New Year Networking. We are always happy to have you here.

As in the last few years, we present an evening full of relaxation. We start with some soft skills, a talk with award winners, and lots of networking. So, sit back, relax and enjoy the evening. And, as you do make an acquaintance, get to know someone and register for the Digital Trust Conference in March. Your support matters and we count on it.

We are happy to have a record attendance. Now, let us rock and have an experience.

Kind Regards

**Punit Bhatia**
