BECOME A

CERTIFIED IN THE  
GOVERNANCE OF  
ENTERPRISE IT (CGEIT)

## ISACA's Certified in the Governance of Enterprise IT (CGEIT)

certification is framework agnostic and the only IT governance certification for the individual. CGEIT can put you in the role of a trusted advisor to your enterprise!

## Is CGEIT Right for You?

ISACA's Certified in the Governance of Enterprise IT (CGEIT) certification is for those aspiring for executive positions. CGEIT empowers you to handle the governance of an entire organization and consider a move to the C-suite, if you aren't already there.

## Build a World Class Team

ISACA's Certified in the Governance of Enterprise IT (CGEIT) certified professionals can enhance the strategic value they bring to organizations.

CGEIT holders bring the knowledge and experience needed to align IT with business strategies and goals, manage IT investments to maximize return on investment, and strive for excellence in IT operations and governance while minimizing risk.

## A CGEIT CERTIFICATION

- Confirms your knowledge and experience
- Quantifies and markets your expertise
- Demonstrates that you have gained and maintained the level of knowledge required to meet the dynamic challenges of a modern enterprise
- Combines the achievement of passing a comprehensive exam with recognition of work and educational experience, providing you with credibility in the marketplace.
- Increases your value to your organization
- Gives you a competitive advantage over peers when seeking job growth
- Helps you achieve a high professional standard through ISACA's requirements for continuing education and ethical conduct
