### Reference

2022-543

## Position description

---

### Job title

(Senior) Consultant Digital Assurance

### Function

Advisory - Senior Advisor

### Roles & Responsibilities

- As a (senior) consultant digital assurance you will be working in a young, motivated and fast growing team.
- We work on a project basis, where your day-to-day role will consist of being a subject matter expert, project in-charge and/or Lead auditor in all matters relating to Digital Assurance and Certification.
- This includes SOC1 (or ISAE3402), SOC2, ISAE 3000 and/or ISO27001 certification.
- On a daily basis, your job will consist of communicating and keeping close contact with our clients and your managers as well as leading and coordinating the efforts of 2-5 staff members and reviewing their work.
- Within this team, we strongly believe in a cooperative, supporting and knowledge sharing mindset.
- You will furthermore be involved in the setup of files, performing testing procedures, drafting of reports and ensuring our internal documentation is up to standards.
- Additionally, you will be involved in the creation, review and presentation of commercial offers to clients and will get the opportunity to further assist to the development of our Digital Assurance and Certification practise.

### Skills & Qualifications

- We are looking for a dedicated teamplayer, who takes ownership, is organized, proactive, and eager to learn.
- Since we serve clients in English, French and Dutch it is a requirement to be fluent in either Dutch and/or French and English; any additional language is considered as a plus.

- We are furthermore looking for someone with a business or economics degree and at least 2 years of practical experience in IT attestation reports (SOC 1, SOC2 and ISAE3000) or certification. Any additional certification (ISO lead auditor, CISA, CISM, CIPP/e, CIPT, CIPM, CISSP, or other) or knowledge/experience on eArchiving or eIDAS are considered a plus.
- Join a fast-growing, fast-learning environment with open communication, abundant growth opportunities, and a collaborative team spirit.
- At KPMG, our client-centric approach values dedication and a drive to go the extra mile.
- Even if you don't meet all the criteria listed, we encourage you to reach out. Your personal motivation and experience level matter to us, and we are always interested in exploring potential roles that align with your skills and aspirations.

## We offer

As a certified **Top Employer** we offer:

- An international corporate culture in which personal growth, mutual trust and lifelong learning are being fostered.
- A competitive and attractive compensation package and a great number of extra-legal advantages (Company car + fuel card, iPhone/iPad, group & hospitalization insurance, Allowances,...) which are customizable with our Reflex@KPMG plan.
- Career development opportunities combined with trainings based on your personal needs and ambitions.
- Flexible, hybrid work arrangements to enable working from wherever you are.
- A team of passionate colleagues to reach higher goals and support each other.
- A buddy and performance manager to support and assist you through your first months at KPMG.
- Great teambuilding, sport & wellbeing initiatives through our Together@KPMG program.
- An inclusive workspace that encourages diversity and pursues mutual respect for each other's beliefs and backgrounds.
